

A group of young people, likely students, are posing in a dark room. They are wearing goggles and holding various props, possibly related to a theatrical performance or a game. The lighting is dramatic, with the subjects illuminated against a dark background. The overall mood is energetic and creative.

FaQ from prospective host schools

1. Do you work with multiple schools in our city?

We work with 1 school per city. Once we arrange a partnership, we do not approach new schools.

2. How many students do you need to make it work?

18 students at least 6 weeks before the course begins.

3. How do you handle Visa arrangements?

We will do the heavy lifting and ensure full legal compliance, we will discuss the current visa guidelines for your specific region in a call.

4. Catering?

Yes we can work with your caterers and cover this, but our staff cannot handle or serve food.

Let's Plan Your Holidays.

We partner with only one school per area. Secure your preferred dates for the upcoming academic year.
