Insurance:

- Our Insurance covers all the areas of the world in which we operate. Public Liability Insurance covers all children and damages to schools, which is not the responsibility of Joy Education LTD if damages occur outside of this safety policy, unless Joy Education does not uphold this safety policy.
- All parents signing up, are advised to read this form in order to understand the safety level expected at the camps. We will do our utmost to ensure that no symptomatic persons are on campus, through the measures listed on this document, to ensure that no child comes in contact with Covid-19 whilst in our care.

Day plan for general safety

- A member of our team (in PPE) will handle all registrations and check ins on the gate. Parents are asked to stand in a pre-designated line (1.5m apart). Students are checked in with our online system and then are given a drop of hand sanitizer & a contactless temperature check before coming through the gate to join the rest of the staff for the warm up. Any high temperatures are noted and checked throughout the day.
- If your child has a high temperature, low mood and shows other symptoms of illness we may ask not participate in the rest of the camp, as a safety precaution for other students and staff. In this case, a refund of all days of unprovided care will be refunded.
- Students will use hand sanitizer 5 times a day (after each bulk session eg. before and after lunch, check in & check out)
- Students which have recorded a high temperature or show signs of a high temperature will be checked again and recorded.
- Before students leave, they will use more hand sanitizer before seeing their parents. Parents waiting to pick up their students will be prompted to wait in specified areas which are 1.5m apart.

Camp logistics & General Rules

- Students will be in Max groups when learning in a classroom. When students are learning in a group, indoors the limited amount of students in a larger area will be 16.
- Students aged 3 - 6 will be in groups of 7.
- Toiletries and hand wash will be checked for supply before every day.
- Singing will not be included in any show or any curriculum in camp due to government guidelines to reduce strained vocal use.
- All teachers will wear full PPE for the first and last 15 minutes of camp during check-ins and check-outs
- We have ample supply of PPE to cover all students and staff including hand sanitizer, masks, temperature checkers, gloves.
- All students must bring masks if possible.
- When in classrooms students will be 1.5m apart on desks

- During group activities, we have altered are activities to reduce contact.
- Free play outside will be largely unregulated but students are encouraged to play in 2s or 3s

Camp Theatre Shows Logistics TBC*

*This policy is subject to change as of July 05th 2020 in accordance with government guidelines.

- All camps will be recorded and sent to parents 2 weeks after the camp. We have had technical problems with this in the past but we have now invested in better recording equipment. The play will be sent to all parents and not shared online or with any third parties, unless otherwise approved.
- 1parent per child will be able to watch a live performance. You will be seated 1.5 meters from other parents and will be able to record the play if you wish. This is not ideal, but the current government guidelines which we must adhere to.
- When waiting to be admitted into the school hall / performance area, parents will be prompted to line up in the designated areas which are 1.5 meters appart.
